Mr.Viraj Wickramasinghe,
Hiring Manager,
HCL Technologies.
Glennie St,Colombo 00200

Dear Sir,

I am writing to express my interest in the Software Engineer position at HCL Technologies as advertised.As a recent graduate with a Bachelor of Information Communication Technology from Rajarata University of Srilanka,I am excited to bring my skills in full-stack development and machine learning to your innovative team.

During my studies I developed my knowledge in algorithms,data structures and software design principles.My last year project involved creating a scalable web application for peer-to-peer tutoring,which showcased my proficiency in React,Node.js and MongoDB.This project not only honed my technical skills but also demonstrated my ability to work effectively in Agile team environment.

In my internship at Xiteb PVT Ltd,I contributed to the development of a natural language processing tool that improved customer service response times by 30%.I worked with Python,Java and C++,gaining valuable experience.

Beyond my technical skills,I bring strong communication abilities and a dedication to continuous learning.As the president of Rajarata University's Coding Club,I organized workshops and hackathons,fostering a collaborative learning environment among peers.

Please find attached my resume for further details on my qualifications and achievements.I am eager to discuss how my skills and experiences align with the needs of your team.Thank you for your time and consideration and I look forward to the possibility of contributing to your company.

Sincerely,
A.S.Fathima Nuha.

Mr.Viraj Wickramasinghe,
Hiring Manager,
HCL Technologies.
Glennie St,Colombo 00200

Dear Sir,

I hope this message finds you well.I wanted to take a moment to express my sincere gratitude for the opportunity to interview for the Software Engineer position at HCL Technologies.It was a pleasure speaking with you and learning more about the company's vision ,team and the exciting opportunities within the rule.

As discussed in the interview,I have extensive experience in machine learning,including Python and Java.I am confident that these skills and experiences align well with the job requirements.I am excited about the opportunity to work on innovative projects,and I am eager to contribute to the continued success of HCL Technologies.

Thank you for considering my application and taking the time to meet with me,despite your busy schedule. I truly appreciate the opportunity and look forward to the possibility of working with such a talented team. Please let me know if you require any additional information or materials from me to assist in the decision-making process.

I am excited about the potential to join HCL Technologies and contribute to its goals. I look forward to hearing from you soon regarding the next steps.

Thank you once again for your time and consideration.

Sincerely,
A.S.Fathima Nuha
